One of the most important messages in Big Enough To Help is that we all have the power to make a difference. Flanagan believes that even the smallest act of kindness can have a ripple effect that can change the world for the better.

He tells the story of a woman named Sarah who started a small soup kitchen in her community. Sarah's soup kitchen has served over 1 million meals to people in need. Sarah's story is a powerful example of how one person can make a difference.

How to Make a Difference

Flanagan provides practical advice on how we can all make a difference, no matter how busy or overwhelmed we may feel. He suggests that we start by identifying our passions and interests. Once we know what we are passionate about, we can start to look for ways to use our passions to help others.
