Jehovah's Witnesses are one of the most well-known and controversial religious groups in the world. With over 8 million members worldwide, they are a force to be reckoned with. But what goes on behind the closed doors of their Kingdom Halls? What are their real beliefs and practices? And what is the impact on their members' lives?

In *Jehovah's Witnesses Behind Closed Doors*, investigative journalist John Doe exposes the secrets of this secretive religion. Through interviews with former members, current members, and experts, Doe paints a damning portrait of a group that controls every aspect of its members' lives.

Doe reveals that Jehovah's Witnesses are taught to believe that they are the only true religion and that all outsiders will be destroyed at Armageddon. They are also taught to obey their leaders without question, even when those leaders make decisions that are harmful to them.

Doe's book also delves into the dark side of Jehovah's Witnesses, including their history of child sexual abuse and their practice of shunning. Shunning is a form of ostracism that is used to punish members who break the rules.

Those who are shunned are cut off from all contact with their family and friends.

*Jehovah's Witnesses Behind Closed Doors* is a must-read for anyone who wants to understand the real Jehovah's Witnesses. It is a shocking and eye-opening account of a religion that has been shrouded in secrecy for too long.

## **Table of Contents**

- Chapter 1: The History of Jehovah's Witnesses - Chapter 2: The Beliefs of Jehovah's Witnesses - Chapter 3: The Practices of Jehovah's Witnesses - Chapter 4: The Impact of Jehovah's Witnesses on Members' Lives - Chapter 5: The Controversies Surrounding Jehovah's Witnesses - Chapter 6: The Future of Jehovah's Witnesses
