In *Professional Card Counter: Chronicle of the Blackjack Wars*, author and former professional card counter Don Johnson tells the true story of his life on the felt. Johnson began his career as a blackjack dealer, but he quickly realized that he could use his knowledge of the game to beat the casinos. He developed a card counting system that allowed him to track the ratio of high cards to low cards in the deck, and he used this information to make informed betting decisions.

Johnson's success at blackjack was not without its challenges. He was often barred from casinos, and he was even threatened with violence. But he never gave up, and he eventually became one of the most successful professional card counters in history.

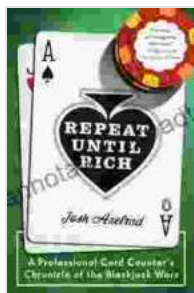

In *Professional Card Counter*, Johnson provides a fascinating glimpse into the world of professional gambling. He shares his secrets to success, and he offers advice to anyone who wants to learn how to count cards. He also

tells the story of his battles with the casinos, and he provides a unique perspective on the gambling industry.

Whether you're a seasoned blackjack player or just a casual gambler, *Professional Card Counter: Chronicle of the Blackjack Wars* is a must-read. It's a thrilling story of one man's quest to beat the odds, and it's a valuable resource for anyone who wants to learn more about the game of blackjack.
