Suge and Danny Boy at the 2003 Single Mothers Day Brunch. (c) DeathRowRecords::deathrow.tvn.hu::

Stranded On Death Row is the gripping true story of Danny Boy Steward, a man who spent 15 years on death row for a crime he didn't commit. This powerful and moving account chronicles his journey through the American justice system, from his wrongful conviction to his eventual exoneration.

Danny Boy Steward was just 22 years old when he was arrested for the murder of his best friend. Despite a lack of evidence against him, he was convicted and sentenced to death. For the next 15 years, he languished on death row, living in a tiny cell and facing the constant threat of execution. But Danny Boy never gave up hope. He fought for his freedom, even when it seemed impossible.

In 2004, Danny Boy's luck finally changed. New DNA evidence emerged that proved his innocence. He was finally exonerated and released from prison. Danny Boy's story is a testament to the power of hope and the importance of never giving up. It is a story that will stay with you long after you finish reading it.
