Dive into a world where mammoths roamed and saber-toothed cats prowled

The Last Giant of Beringia is an epic adventure that transports readers to a lost world where mammoths, saber-toothed cats, and giant ground sloths roamed the Earth. This immersive book explores the life and times of the last giant, a mammoth named Woolly, as he struggles to survive in a changing environment and faces the challenges of a rapidly changing world.

Based on the latest scientific research, The Last Giant of Beringia brings this lost world to life with vivid detail and breathtaking storytelling. Readers will follow Woolly on his journey as he navigates a landscape filled with both beauty and danger, and witness the challenges that he and his herd face as they struggle to adapt to a changing climate.

The Last Giant of Beringia is a must-read for anyone fascinated by natural history, adventure, or the lost worlds of the past. This book is a captivating journey that will transport readers to a time and place that is both awe-inspiring and unforgettable.
