

What Sound Is Morning: A Haunting and Atmospheric Novel That Will Stay With You Long After You Finish It

Synopsis

What Sound Is Morning is a haunting and atmospheric novel that will stay with you long after you finish it. Set in a small town in the American South, the novel follows the story of a young woman who is haunted by the death of her sister. As she tries to piece together what happened, she uncovers a dark and disturbing secret that threatens to destroy her.

The novel opens with the protagonist, Sarah, returning to her hometown for the first time since her sister's death. Sarah was just a teenager when her sister, Emily, was killed in a car accident. The accident was ruled a hit-and-run, but Sarah has always suspected that there was more to the story. When Sarah returns home, she begins to investigate Emily's death on her own. She soon discovers that Emily was involved in a secret relationship with a dangerous man. As Sarah digs deeper into the mystery, she uncovers a web of lies and deception that threatens to consume her.
