In this gripping and inspiring memoir, a woman named Sarah shares her story of survival. She was married to an abusive man for over 10 years, and during that time she endured physical, emotional, and sexual abuse. She also became addicted to drugs and alcohol in an attempt to cope with the pain.

When Sarah finally left her husband, she was broken and lost. She had no money, no job, and no place to live. But she was determined to rebuild her life, and with the help of therapy and support groups, she slowly began to heal.

Sarah's story is a testament to the power of the human spirit. It is a story of hope and redemption, and it shows that even in the darkest of times, there is always light to be found.
